

Dear Teachers:

The Tartan Area Youth Hockey Association (TAYHA) and Northeast Metro Stars has a program designed to teach our youth that their education is important and that it should come before hockey. We would like them to understand that an individual can be an outstanding athlete as well as an outstanding student. It is titled "First Student" and is based on the idea of first school, second hockey. Participation is up to the family of each individual skater. The TAYHA board hopes to gain 100% participation. Those who achieve the standards will be recognized for their success.

The Grade Point Average of 3.0 (or a letter grade B) or better will earn the skater the title of "First Student". This grade should be based on the time period up to the day you receive this letter.

The fact that you have received this letter means your student has decided to participate. Please fill in the section below and return to your student. On behalf of the TAYHA board I would like to thank you for your participation and help with this and also thank you for the commitment you are making to our student athletes.

Sincerely,

Sarah Borowiak
TAYHA First Student Coordinator
