I (we) understand that starting with the 2009-10 Season, the Minnesota Hockey participation rule changes from residency to school attendance for affiliate membership. Our children attended school outside our affiliate of residence during the 2008-09 Minnesota Hockey season. It is our choice under Paragraph IV,B,2,d of the Minnesota Hockey Youth Rules and Regulations that our child continue to participate with our affiliate of residence. I (we) understand that this is a one-time choice that remains in effect throughout our child's Youth playing eligibility as long as we maintain residence within the affiliate's geographical boundary. If we move outside the affiliate boundary, school attendance will determine Affiliate participation.
